Overall Individual Scoring

We combined the scores of both individual rounds to get the Overall Score, which contributes to official placement & scores.

$$(\text{Speed Round Score}) + 2 * (\text{Accuracy Round Score}) = \text{Overall Score}$$

Team Scoring + Tiebreakers

The Team Scores are not affected by individual scores (except for tiebreakers).

Tiebreakers are decided by:

- the highest score on each team
- the second highest on each team
- and so on.
